

Dear Betty.

60 years ago we said "I do"
For 60 years I've been with you.

Our love has grown more and more,
You, my Betty, I adore.

We started with nothing and little help
But we were together with each step.

You encouraged me to do my best,
You said God would do the rest

Of course, we had our ups and down
But with our love we would rebound.

Two children came our way,
They were your main concern every day.

Now we are older and live very good
We will continue to do the things we should.

With this little note I give you my love.
I care for you and we fit like a glove.

You are mine and I am yours!
We will always be that way for years and years.

Our love will always be there,
What ever!

Love you much
