# 'TIL DEATH DO US PART

When life seems a blur,  
and I can't quite believe  
That I'm living without you  
And you were taken from me,

I sit back and think  
Of the memories we shared,  
All the laughs that you gave me  
And the times that you cared.

'Til death do us part.  
That's true in our case.  
I miss you so much,  
Your voice and your face.

Time is a healer.  
I can't say that it's true,  
but life does go on,  
Which means without you.

When it all gets too much  
And I wish you were here,  
I feel thankful that I met you,  
And I hold you close, my dear.

'Til death do us part.  
That's true in our case.  
I miss you so much,  
Your voice and your face.

IN LOVING MEMORY
