

Footprints

*One night a man had a dream.
He dreamed he was walking along the beach
with the Lord. Across the sky flashed scenes
of his life. For each scene, he noticed two sets of footprints
in the sand; one belonging to him,
and the other to the Lord.*

*When the last scene of his life flashed before him, he
looked back at the footprints in the sand. He noticed that
many times along the path of his life there was only one set
of footprints. He also noticed that it happened at the very
lowest and saddest times in his life.*

*This really bothered him and he questioned
the Lord about it. "Lord, you said that once I decided to
follow you, you would walk with me all the way. But,
during the most troublesome times in my life, there is only
one set of footprints. I don't understand why, when I needed
you most, you would leave me."*

*The Lord replied, "My precious child, I love you and would
never leave you. During your times of trial and suffering,
when you see only one set of footprints,
it was then that I carried you."*
