Remembering With Love

Justin W. Richey

I'm Free

Don't grieve for me, for now I'm free
I'm following the path creator laid for me.

I took His hand when I heard Him call
I turned my back and left it all.

I could not stay another day
To laugh, to love, to work or play.

Tasks undone must stay that way.
I found that peace at close of day.

If my parting has left a void

Then fill it with remembered joy.

A friendship shared, a laugh, a kiss,
Ah, yes, these things I too will miss.

Be not burdened with times of sorrow
I wish you the sunshine of tomorrow.

My life's been full, I've savored much,

Good friends, good times,

A loved one's touch.

Perhaps my time seemed all too brief,
Don't lengthen it now with undue grief.

Lift up your hearts and share with me.

Creator wanted me now:

He set me free
