# HOLLISTER HIGHLIGHTS

Friday, June 1, 2018

**PRINCIPAL'S SPOT: THIS NEXT WEEK IS OUR LAST WEEK OF SCHOOL. WE ARE EXCITED ABOUT OUR SUMMER VACATION. WE PRAY FOR YOUR REST AND CONTINUED GROWTH IN HEALTH AND WISOM AND IN THE LORD. HAVE A GREAT SUMMER!**

**KINDER KORNER:** This week we became snakes and monkeys in order to learn social studies, math, science, language arts, and even Bible! It got a bit crazy, but we all had a lot of fun and learned a lot.

**GRADES 1-4:**The students in first through fourth grades are ready to promote to the next level and take their final tests and do their project presentations. We have come a long way and are well prepared for the next year. Good job, class!

**GRADES 5-8:** This week we held a "parade". Students studied western and Pacific states and cleated a parade float to represent the state they studied. Pasadena, here we come!

**PARENTS:** There will be **NO After School Care on Thursday May 07<sup>th</sup> 2018** and the school will be out at noon. **NO Hot Lunch for next wee.**

**PARENTS OF GRADUATES:** If your child is graduating from Kindergarten or 8<sup>th</sup> grade, please be sure to get pictures for the slide show to the following email: [chrissy.stowell@gmail.com](mailto:chrissy.stowell@gmail.com)

**PARENTS:** Please be sure you take part in our **JUNE 24<sup>th</sup> Golf Tournament**. Golf, eat dinner, or donate a silent auction item. If you don't have one, find someone who will contribute for us. Let Mrs. Thompson know what your contribution is **ASAP** so she can credit your account for your volunteer hour requirements.

Parents please note there are no hot lunches served in June for the last week of school. Please be sure to pack lunches. **THANK YOU!**
