NAGVA SERVES

From the LGBTQ's Center of Southern Nevada's Website: We serve as a haven for all. We welcome and celebrate the diversity of our communities and strive to empower all to live authentic lives. This is a space to give back, volunteer, make connections and build community together with pride.

We provide information, resources and testing to protect the health of our community. We celebrate the art, beauty and brilliance within our talented community. We educate and advocate within and without.

The Center brings together programs, resources, and services to meet the needs of our community and the community around us. We function as the heart and home of the LGBTQIA+ community by making connections, delivering programs, and providing a safe space for health and wellness, social services, arts and culture, advocacy, and community building.

Ongoing Center programs support LGBTQIA+ youth, adults, families, seniors, vets, people with disabilities, those living with HIV, and those who are underserved. Additionally, we are proud to offer the Center Advocacy Network, the first nationally accredited program of its kind with a focus on LGBTQIA+ issues for victim advocacy.

NAGVA SERVES

From the Bright Star Foundation's website: Bright Star Foundation will also work to provide stable, affordable, and inclusive housing, and economic support to vulnerable people (especially in consideration of age, race, disability, HIV status, class, and other marginalized statuses) who identify as LGBTQIA+, located in the southwest, Nevada, California, Utah, Arizona, Oregon and New Mexico.

Bright Star Foundation owns and operates two four-plexes in an area near the Boulevard Mall, just off Maryland Parkway. The buildings have 17 bedrooms that are rented at subsidized rates in an effort to provide stable housing to individuals who might otherwise be homeless. Las Vegas has one of the highest rates of unaccompanied and unsheltered youth in the country and 40 percent of homeless youth identify as LGBTQIA.

There is an equally serious homelessness issue in the trans community and Bright Star also is working to help alleviate part of that problem.

The foundation offers repatriation assistance for youth who find themselves stranded, without a place to live in big cities, far from home, if there is a safe relative or friend that the young person can return home to live with.

Bright Star also assists with emergency help for youth without homes and coordinates with other homeless youth or LGBTQIA organizations, such as The Center, Shannon West and Nevada Partnership for Homeless Youth.

NAGVA

HALL OF FAME

The NAGVA Hall of Fame was established to recognize the outstanding individuals who have contributed to the shape and advancement of our organization.

Since our beginning there have been many members who have left an indelible mark on the organization. It is these selfless individuals who we would like to recognize for their accomplishments and enshrine in our rich history.

Potential inductees should demonstrate good sportsmanship, moral character and ethical conduct. They must have proven results in their service to NAGVA and its purpose.

Our current Hall of Fame includes...

2018

Dan "Bubba" Rotramel
Mike Snyder

2019

John "Judy" Fernsler

And this year we are happy to announce our newest inductee into the NAGVA Hall of Fame...**Denise Summer Daily!**

NAGVA

HALL OF FAME

Denise Summer Daily *Nominated by Tia Thompson*

Denise Summer Daily's volleyball career in NAGVA began with her debut in 1990 playing with the Latin Panthers of San Diego participating (and winning) in the San Diego, Los Angeles, and San Jose tournaments that year.

After her success in these tournaments, she was rated A and then up to AA. Denise played on a variety of teams throughout her NAGVA career and would win many more NAGVA tournaments for years. For Denise, it wasn't about the gold medals or trophies that ignited her spirit to play in NAGVA. She was getting the chance to see old friends and meeting new people who would become lifelong friends.

Denise started her transition to female in 1993. Although being trans back then wasn't as well known as it is today, she would become the pillar of black trans female athletes. She continued to play in NAGVA as a black trans until finally making the transition to the Open Women's Division in 2018 where she played with Hawai'i Titahz in the LAVO San Diego Spring Challenge where they took the silver medal. Later in the same year at the LAVO WSF tournament at UCLA, Denise and the Titahz won the gold medal. She continued to play in the Women's Division where she felt the most comfortable because she was finally playing with athletes who were just like her, cis and trans alike until her untimely death on January 23, 2022.

She made a tremendous impact on the NAGVA scene with her great ability to play, and of course, that big, bright smile with her wonderful personality. May she rest in Aloha 🤍🏐🤍

TOURNAMENT

Rules of Play

During Pool Play on Friday and Saturday, all matches will be 45 minutes long, which include a 5-minute warm-up. These matches will be two sets starting at 4 to 25, capped at 27. Matches will be timed and announcements on start and stop play as well as the 2-minute warning will be made throughout the hall on the in-house sound system speakers. No timeouts are allowed after the 2-minute warning but substitutions are permitted. If the score is tied at the end of play, the next point wins. If there is a protest, the match does not stop and protests are notated on the scoresheet at the time of incident and will be dealt with after the match. Results will be continuously posted throughout Pool Play and are available at, or near, the Command Center.

The Double Elimination tournament will begin for B and BB on Saturday night and for A, AA, and Women's on Sunday morning. Winner's bracket matches with best 2 out of 3, first two sets starting at 4 to 25, capped at 27. The third set will begin at 0 to 15 with no cap, switching sides at 8. Loser's Bracket matches will be best 2 out of 3 to 15, starting at 0, first two sets capped at 17 and third set no cap. If there is a protest during the tournament phase, stop play immediately and come to the Command Center where the protest committee will convene to rule on the protest. Some teams that win their final match on Saturday night may be reffing the 8:00 am match on Sunday. If you have any questions, please come by the Command Center before leaving the Convention Center Saturday evening.

Apart from the NAGVA rule exceptions, all USAV rules apply, including net touch and centerline violation rules (e.g. a player may cross the center line so long as it does not interfere with play (judgment call)). NAGVA does not allow pursuit.

The NAGVA sport court rule: a player must have one foot on the playing surface as the ball is played. The player may fall off the sport court after the ball has been contacted but the player may not touch another sport court. If contact with another sport court is made, the ball is deemed dead and the other team wins the point.

When serving, both feet must start COMPLETELY ON the sport court.

Please fill out all lineup sheets completely with names, NAGVA numbers and uniform numbers.

Sign all scoresheets and verify them when signing. All scores will be final once you have signed.

Uniforms MUST have clear and visible numbers on the front and back of every player's jersey. These numbers MUST contrast the color of the uniform. The libero jersey MUST contrast the color of the rest of the team. We will ask you to change if these are not followed.

And please don't forget that ALL PLAYERS MUST SIGN THE WAIVER before stepping on the court.

SPIRIT AWARD

NAGVA

The NAGVA Board re-instituted the NAGVA Spirit Award in 2017. The Board felt it important to recognize and appreciate members that help make our organization great. The NAGVA Spirit Award is given to a member(s) that exhibit personal responsibility, integrity, and fairness while fostering a safe & competitive volleyball environment for everyone.

Last year's recipient were all of NAGVA's front-line workers who worked to keep us safe during the pandemic.

This year's recipient will be announced at the banquet Sunday night.
