Visit the stations in our auditorium and expand your mind.
We look forward to seeing you there!

Keep Track of Progress

By staying on top of how your youngster does in school, you can support his achievements and nip any problems in the bud. Try these strategies.

● **Go over papers.** Look at each graded assignment your child brings home. This is an easy way to see what he's doing well and what he needs to work on.

● **Communicate with the teacher.** Contact her if your youngster says a subject is difficult or brings home low grades. You could ask about ways to help him.♥
