

Welcome to Eastgate SDA Church!

A message from Pastor Eric Saylor regarding this Sabbath

Several years ago I went on a backpacking trip with a group of guys. In preparation for the trip I purchased water purification tablets. These Iodine tablets are designed to kill any dangerous bacteria in a water bottle after it's filled out of a river or lake.

Obviously this is important in case a deer or some other animal is relieving itself up stream.

In order to use these purifying tablets you fill your bottle, drop one in, slosh it around and let it sit for a while. The problem with them is the water doesn't taste very good. There's a secondary tablet that is supposed to remove the iodine taste but it's not perfect. It still tastes like chemicals.

As the weekend went by I got really tired of what was technically clean yet impure water. I didn't want to be constantly borrowing other guys' water filters so I just put up with the taste.

On Sabbath afternoon I went on a hike with some friends and we came across a beautiful little pool of water. The crystal clear, frigid water bubbled out of the hill just above the pool and then slowly moved toward the lake, dropping any sediment along the way.

The water looked pure, clean, beautiful, and tasty.

So I filled my water bottle and drank deeply. It was wonderful!

And, no, thankfully I didn't get sick. It was genuinely pure. No contaminants, no giardia, no chemicals: just pure, clean water.

Purity is a precious thing.

I'm looking forward to worshipping with you Sabbath as we explore what Jesus said about purity: "Blessed are the pure in heart for they shall see God" (Mt 5:8)

~Pastor Eric

This Weekend: *February 22, Blessed are the pure in heart ...*

Next Weekend: *.February 29, Blessed are the Peacemakers ...*
