See you on the other side

*Take my hand and walk with me
along lifes winding path
Together we will learn of life
We'll love and cry and laugh*

*Take my hand walk with me
around the rivers bend
And I will keep you in my heart
for you are my best friend*

*Take my hand just one more time
squeeze tight don't let it go
This journey is the last for me
But I must pass alone*

*Lay down my hands across my chest
For its time to say goodbye
But we'll hold hands once more my friend
Upon the other side.*
