

Reportable Releases

Are your news announcements getting the attention they deserve? Bring them to life with multimedia, interactive releases.

Targeted Emails

Reporter database lets you discover the most relevant reporters and deliver your release into their inbox.

Social Media

This is where news gets discovered. Reportable releases are made to be seen and shared on social.

Superior form and function at your fingertips.

Start packaging what reporters need in one place to help media cover your news.

Search Engines

Reportable releases are indexed in Google and other search engines. Your visuals boost their ranking!

Electronic Wire

Send a 'lede and link' alert electronically to newsrooms and online news sites.

Reportable Newsrooms

Build your newsroom the way you want.

Journalists, customers, and investors deserve a dedicated page showcasing your announcements, news coverage, images, videos, leadership bios and more.

No web team needed

Go live in the time it takes to upload a few files without relying on a web designer.

Easy Integration

Integrate with your current website or use as a dedicated and tailored standalone page.

The screenshot shows a web browser displaying the newsroom page for Ceres Holographics. The browser address bar shows 'ceresholographics.com'. The website header includes the Ceres Holographics logo and navigation links: HOME, ABOUT US, TECHNOLOGY, APPLICATIONS, PRESS & MEDIA, and CONTACT US. The main content area is divided into several sections:

- About:** A brief description of Ceres Holographics specializing in digital mastering and replication of holograms and optical elements (HOEs).
- Press Contacts:** Two contact cards. The first is for Toni Sottak, Media Contact, with email 'toni@wiredislandpr.com' and phone '+1 408-876-4418'. The second is for Graeme Gordon, Media Contact, with email 'Graeme.Gordon@ceresholographics.com' and phone '+44(0)795 181 3880'.
- Media Gallery:** A section featuring a video player for a location in V&A, Dundee, with details like '73.04', '4 miles', '2980m', and '8995'.
- Bios:** A bio card for Andy Travers, CEO, with a 'View more >>' link.
- Social Accounts:** Links to Facebook, Twitter, and LinkedIn.
- Select Coverage:** A list of recent news items with dates and source publications, including 'Mar 17, 2020 EETimes', 'Jan 29, 2020 Display Daily', and 'Dec 12, 2019 The Courier'.
- News Releases:** Two featured news release cards. The first is titled 'Ceres Holographics Debuts Full-Color Automotive Holographic Transparent Display System Designed with TI DLP® technology' and includes an image of a car interior. The second is titled 'Ceres Holographics Awarded Horizon 2020 Funding to Accelerate Commercialization of Holographic Technology for Next-Generation Displays' and includes an image of industrial machinery.
