

Paul Bonner – Intake Coordinator

Paul became part of the Love in the Name of Christ of Lewis County staff in January 2001. During his 17 plus years as part of Love INC's ministry, Paul has twice served as Intake Coordinator (2001-2006 and 2015 to present) and also as the Executive Director (2006-2015). During his time as Executive Director, the ministry raised \$168,000 to purchase our current office facility and expand the furniture warehouse. 45,000.00 was also raised to purchase our new box truck that is used in the furniture ministry.

As Intake Coordinator, Paul is responsible for the operation of the Intake Center where the staff and volunteers receive more than 2,500 requests for assistance per year, verify the accuracy of the information provided and the legitimacy of the need. We then provide the resources they need directly or refer the caller to the appropriate ministry for help.

Paul and his wife (Barbara) are actively involved in their home-based messianic faith community.
