Loving Memories

*Your gentle face and patient smile
With sadness we recall
You had a kindly word for each
And died beloved by all.*

*The voice is mute and stilled the heart,
That loved us well and true.*

*Ah, bitter was the trial to part
From one so good as you.*

*You are not forgotten loved one
Nor will you ever be,
As long as life and memory last
We will remember thee.*

*We miss you now, our hearts are sore.
As time goes by we miss you more.
Your loving smile, your gentle face,
No one can fill your vacant place.*
