**Dear Granny**

We just wanna say rest easy to our most bravest, strongest and most of the most beautiful warrior we had. You're our glue to our puzzle pieces to keep us put together. We know that even though you're not here physically, you're most definitely watching over us spiritually, so we know in our hearts, you got us. You fought for us as long as you could, now rest easy and thank you for all of our great memories and love that was given from you will never be forgotten and will always be missed every second you're not here.

-We love you. This is not goodbye, this is see you later.  
XOXO-grandchildren and great grandchildren
