Dear Parents,

This week in Bible we explored all the prophecies about Jesus. We took a look at the 70-year prophecy. We, also, discussed what Jesus meant to us. We, then, took a look at a Union College Facebook post and discussed WWJD in our COVID-19 pandemic. What would he expect us to do?

It has been such a pleasure visiting with you about your kids. It's it is a great thing to work together for the growth of "our" kids. As we discussed in conferences. We are changing our grading policy. Grades 5-8 will get three chances to correct any mistakes on assignments, and grades 1-4 will get 5 chances. Please encourage the kids to ask questions and take an active role in raising their accuracy.

In about two weeks we will start collecting for Operation Christmas Child Shoeboxes. We will be talking with the kids, so we can set a goal for how many shoeboxes we would like to fill. Information will be coming home next Friday.

It's that time of year again! We "Fall" back this Sunday. Enjoy that extra hour!!!
