

PARTICIPATION NEWSLETTER

June 2020

Welcome to your Participation newsletter. Bringing you all the latest news and updates.

Getting Back on Court

Squash Australia is very excited to see courts and venues safely re-opening across the nation. Get in touch with your state or territory contact to find out where you can get involved, or head to the court finder on our website.

Make sure to tag us on social media ([@SquashAustralia](#)) with your back to squash posts, so we can help to spread the word!

Street Squash

Squash Anywhere, Anytime!

Thank you to everyone in our sporting community that has got behind and supported the Street Squash program. It has been so great to see people get a racquet in hand and have a go at home, keeping our sport alive despite coronavirus lockdowns.

Squash Girls Can Update

Thank you for your participation and support of Squash Australia's premier university participation program, Squash Girls Can. The program saw approximately 320 women take to the courts as part of our pilot programs in 2019 and then commence full-roll out of the program at the start of 2020. Thank you to our funding partner, Sport Australia and to UniSport for their promotion and support of the program.

The Squash Australia University Advisory Group is another way Squash Australia is collaborating with universities. The group meets via videoconference every second month, and there is a Facebook group for on-going discussion. The advisory group has been a great resource for members, for example clubs working together, sharing of ideas or building new networks. If your university would like to get involved, please email participation@squash.org.au
