Grandfathers

The love we have for Grandfather
Will never fade away.
We'll think of him, our special
friend
Throughout each passing day.
We'll walk into the room
And see his empty chair;
Although we know he's resting,
We'll feel his presence there.
The memories of his laughter,
His warm and loving smile,
His eyes so full of happiness,
His heart that of a child.
Memories are forever
Be they laughter or of tears,
Memories we will treasure
Through all the forthcoming years.

Father-in-Law

I came into your family
Not knowing what I'd find
I was nervous and afraid.
You gently eased my mind.

You made me feel right at home
From the first day that we met.
You welcomed me with open arms,
And that I won't forget.

You always have encouraged me
With kind words that you say.
I know I can depend on you
On any given day.

You're a great father-in-law.
You stand out above the rest.
I thank God for blessing me
With you- The very best.
~ Frankie

Because of you, I am who I am. In these years of my life you were there, you seen my best, you seen my worst and as you were looking at me grow, that whole time I was looking at you grow. Learning from you, you showed me and told me a lot. I am appreciative of all you've done for me. Love You

Pops.

OBITUARY

Jamison Vorice Madlock (aka Baby J), was born to the union of Jamison Madlock and Annie Madlock on September 30, 1949, in Tyler, Texas. Jamison was the 7th child born to this union. Mary Elizabeth, Barbara, and James all transition before him. The remaining siblings are Oletha, Rev. Matthew (Jesse), and Rev. Linda (Pastor Prince).

Jamison attended Tyler Public Schools and later went on to Job Corp, where he received his High School Equivalence Diploma.

Jamison met and married the love of his life Sharnell Johnson (Madlock) on September 21, 1970. And born to that union were Jamison V. Madlock Jr (Frankie) and Michael Madlock (Gloria).

Jamison has 8 grandchildren: Andre (Char), Jada, Michael (Kyara), Alante (Stephanie), Diamond, Akela, Kamela (Isaiah), Lataya (Terrell), and a host of great-grandchildren, nieces, nephews, and friends.

Jamison was good with his boys and kids in general. He loved to cook and always had a good story. He was a jokester and loved being surrounded by laughter. Jamison was a people person and made even a stranger feel like family. Cars were Jamison's passion, no matter the make or model, This was evident by his career choice. He worked for the "Big 3". Yes, all 3! He was knowledgeable and could diagnosis the problem, sometimes without even looking under the hood. When he wasn't working with cars, He would pass the time by watching sports or Western movies. He even loved the outdoors. It was everything to him! He would find a cool spot in the shade under the tree and be all set. A fun fact about Jamison that most people didn't know, is Jamison had an amazing voice and could really sing. Every Sunday he would have his very own worship service, right from his room.

We are left to cherish the memory of our beloved Jamison. A devoted Husband, Father, Grandfather, great grandfather and friend. Special thanks to Josephine, the neighbor that became helper and friend. Let us remember the stories he told and remember to love each other and live in the moment.

2 Corinthians 5:8 KJV — We are confident, I say, and willing rather to be absent from the body, and to be present with the Lord.
