

THRIVE

GROUPS OF 3 - 5

WHAT ARE THEY? AND WHY JOIN ONE?

Are you like us having really missed fellowship with others from church?
Would you like to pray and look at God's word with others?
Do you want to connect with others in a mutually supportive way?
Do you want your relationships to deepen to a more meaningful place?
Beckie Ward & Elaine Bayley would like to encourage
you to start something new!
Meet up in person, create a Whatsapp group, use Zoom...

OUR VISION

Beckie and I have both been inspired to want to facilitate closer relationships with one another at DBC. We both recognise our need of God to be central in our lives, and we believe we can all encourage each other in our faith and dependency on God, and to 'spur one another on towards love and good deeds'.

We believe a good place to do this is in smaller groups, where we can be honest and open with one another as we contemplate the truth of God's word and pray together.

GETTING STARTED

Perhaps you can begin to think and pray about who you might regularly meet together with in a Thrive group. We suggest trying to keep to an hour each time you meet to make it more manageable. Would a daytime meet-up be best for each member, or perhaps an evening? Once a week? Once a fortnight? You decide.

HOW MAY WE HELP

Our hope is that everyone will want to be in a Thrive group:
To support and encourage one another in our Christian faith;
To be a blessing to one another and enjoy being blessed!
Either prayerfully consider who to ask about forming your own group or speak to Beckie or me. We would love to help join people up but recognise you are probably best placed to initiate this idea yourselves.

THRIVING

We along with the leaders of the church really do see these groups as important to our future fellowship and connectivity within the church body. You may already be in a triplet. Great! Please let us know? It would be fantastic to have an overview of what is happening amongst us in terms of connectivity.
