A Letter From A Friend

I am writing to say how much I care for you and to say how much I want you to know me better.

When you awoke this morning I exploded a brilliant sunrise through your window hoping to get your attention, but you rushed off without even noticing.

Later, I noticed you were walking with some friends, so I bathed you in warm sunshine and perfumed the air with nature's sweet scent, and still you didn't notice me. As you passed by, I shouted to you in a thunderstorm and painted a beautiful rainbow in the sky and you didn't even look.

In the evening, I spilled moonlight onto your face and sent a cool breeze to rest you. As you slept I watched over you and shared your thoughts, but you were unaware that I was so near.

I have chosen you and hope you will talk to me soon. Until then I will remain near. I am your friend and love you very much.

Your Friend, **Jesus**

Kristone
