HOT LUNCHES

4/26-29

Monday	Mac & Cheese
Tuesday	Haystacks
Wednesday	Subs, Chips, & Fruit
Thursday	Pizza, Salad, & Applesauce

OUR WEEK

We have been focusing on numbers as we wrap up our Space Study. We have practiced counting, representing numbers on 10-frames (a skill they will continue to use in higher grades), and writing numerals.

Our next area of focus will be called Reduce, Reuse, Recycle. It's a perfect time of year to talk about these themes, as Earth Day and Arbor Day activities and topics surround us. If you have CLEAN recyclable items, you may send them to school with your child. We cannot use anything that has sharp edges.

CLASSROOM ITEMS & ANNOUNCEMENTS

- Thank you for helping with Mrs. Reedy's group gift. She was excited to receive the \$50 Olive Garden gift card.
- We have one more scheduled **spirit day** next Friday:
 - April 30 is Beach Bum day (bring closed-toed shoes for recess if they wear sandals, swimsuits must include shorts). Please send a jacket to school that day for recess.
- Friday, May 7 will be the Pre-K and Kindergarten Field Day. I can use parent help that day to supervise student groups and help run activity stations. If you may be able to help, please let me know.
- Students entering Kindergarten in August need to have a **school physical**. The forms are available in the office at any time from Mrs. Reedy. **If you have a well visit scheduled this spring, you can take this form and have it filled out by your child's healthcare provider.**
- **Gesell Development Observation** – Students entering Kindergarten next fall are given the Gesell Development Observation. This assessment will be given during the school day, so no additional testing appointment needs to be made. The GDO-R will be given later in April.

Students participating in the plank during morning exercises.
