

In Memory of
Larry Vernon Good
Neligh, Nebraska

*God saw he was getting tired
And a cure was not to be,
So He put His arms around him
And whispered, "Come with Me."
With tearful eyes we watched him suffer
And saw him fade away,
Although we loved him dearly
We could not make him stay.
A golden heart stopped beating
Hard working hands now at rest,
God broke our hearts to prove to us
He only takes the best.*

We deeply appreciate the tribute accorded to our loved one by your presence here today. We would be pleased if you could join us for fellowship following the committal in the church basement.
