## Thanksgiving Break

Thanksgiving break starts tomorrow, Friday, November 16, at noon. I hope that everyone has an enjoyable break and lots of good food. We will see you back Monday November 26.

## Hot Lunch

Thank you Home and School for a fantastic Thanksgiving feast. The next Hot lunch will be the week after Thanksgiving break on Wednesday November 28. The meal is veggie hotdogs. If your child does not want to eat what is available, please send a lunch with them.

## Christmas Program

The students are beginning to practice for the Christmas Program and we are excited to be presenting to you. The Christmas Program will be on Saturday December 15 at 4pm. Please start talking to family and friends to save the date. We are still working on finalizing the location.

## Plan to Play Outdoors

We try to have recess and PE as much as possible outside. Please make sure that your child has the appropriate clothing for being outside. Things like a winter coat, gloves, hat, are always a good thing for this time of year. Also, when it snows have them bring snow pants, or several pairs of pants that they can change into so that they are not in wet clothing all day.

## Snow Days

For snow days we follow the Saginaw Public School District for closing. If you are coming from another town and the local school district is closed due to snow, please let me know so that I know you are not attending. I will also try to send a text or call by 6:45 am if we are closing. I usually follow WNEM – TV5 to check for school closings.

## St. Charles Christmas Parade

On December 1<sup>st</sup> there is a Christmas Parade, and the St. Charles church would like to invite anyone that would like to come help them with singing and passing out literature to meet at the St. Charles church by 4:30.

## Young Writers

"Give thanks in all circumstances, for this is God's will for you in Christ Jesus." Colossians 4:2. With Thanksgiving being next week the students' task was to write what they were thankful for.

I'm thankful for my family because they always help me when I have a problem. I'm also thankful that I am in this school with all my friends and teachers. The most important thing that I am thankful for is my church and the Bible. ~Jaden 5<sup>th</sup> grade~

I am thankful for my mom, dad, Jaden, Lenisa, Trista, and Tanner, because they are both my family and they are both my friends. Even though Lenisa and Jaden are not my family I still feel like they are my family. But the thing that I am most thankful for is the Bible. ~Trinity 5<sup>th</sup> grade~

I am thankful for food because most food is very delicious like pizza, spaghetti, lasagna, bread with peanut butter on it, and chicken littles from KFC, but I try not to eat meat as much as possible because I don't really feel to good after eating beef or deer, but I feel okay after eating some chicken. I am also thankful for my family and friends. My family is very kind and loving, they never stop hugging or giving kisses, which I am very thankful for that. My friends are very fun to be around, we laugh a lot. There are some friends that I feel like they are part of my family, I can think of the Garcias mostly Gabe, Mrs. Garcia and Pastor Ben cause the are the only Garcias I ever talk too. There are some other too but that can be saved for another time.

~Tristan 8<sup>th</sup> grade~

I am thankful for food, clothes, a house, and a phone. A workshop, and my minibike. I love my family! I also am thankful form my PC, Nerf guns, and TV. For an education freedom and for Ben my stuffed animal.

~Cash 6<sup>th</sup> grade~

My Xbox, math, and multiplication. ~Julian 1<sup>st</sup> grade~

Thank you for being a part of the Tri-City SDA School family.
