

## *The Other Side*

*Many hearts are broken.*

*Many eyes have cried.*

*But many now rejoice with you*

*there on the other side.*

*Although we long to have you here*

*and wish you hadn't died,*

*we know there's joy and happiness*

*there on the other side.*

*With faith we'll find the needed strength*

*to help us make it through,*

*for the other side is where, one day,*

*we'll be again with you.*
