

This letter recognizes Taylor Garrison as completing the requirements to earn a Functional Nutritional Therapy Practitioner certificate issued by the Nutritional Therapy Association (NTA). This practitioner is recognized as eligible for a healthcare practitioner account.

Additionally, this letter grants verification of current NTA membership status. Therefore, holder is eligible for all NTA membership privileges including professional accounts, discounts and training provided by NTA partner organizations.

The NTA is honored to continue to support your professional practice.

In health,

Miriam G Zacharias, MS, NTP, BCHN®
Chief Executive Officer
Nutritional Therapy Association
800.918.9798 | 360.493.0900

This letter is valid until 11/30/2021

The NTA Vision:

We empower a passionate community of life-changing nutrition professionals to create a ripple effect that transforms lives and shifts the outlook of health to one of hope, today and for generations to come.
