Today's Offering: Local Church Budget, supports our own church facility and ministries.

Next Week's Offering: Upper Columbia Conference Advancement, this offering is directed to UCC church & school development, evangelism, worthy student, literature evangelism and youth.

Parents: You are involved in one of the most important and challenging ministries given by God, raising our children. God put the wiggles in children; don't feel you have to suppress it in God's house. Might we suggest, sit toward the front where it's easier for your little one to see and hear. Take time to quietly explain the parts of the service and invite them to participate. If you feel you must leave the service with your child, feel free to do so, but please come back. Jesus said: "Let the little children come to me." We are so grateful you and your little ones are here.
