

### Generations in Ministry – God in Shoes

God in Shoes, organized by the Kansas-Nebraska Conference and hosted by the Conference and the Lincoln Area Seventh-day Adventist Churches completed the six day event on Sunday, September 20 with a Women's Spa Day. The entire church was decked out in white, teal and black complete with sea shells, sea gulls and fresh flowers. A beautiful finger food buffet was awaiting women and their children. Children's group leaders provided activities for the kids while their Mom's enjoyed choosing new shoes, having facials, manicures, chair massages, etc. Free literature, beautiful Bibles with a first Bible study inserted, and Christian music CDs literally flew off of the literature table as the Moms left the building. One woman told us this was the best day of her life, another said she felt the presence of Jesus here that day. One lady wants to start Bible Studies. Thank each to one who helped, and thank you Jesus!

### Vision Statement

We will, with God's guidance, introduce individuals to Jesus Christ and support their growing relationship with Him in preparation for the Second Coming.

### Mission Statement

With God's leading, we will create an atmosphere of Christian love and friendship, nurture spiritual growth and equip members for active involvement in ministry to our community and world.

## Prayer and Praise

We invite you to give our good God in Heaven praise for the success we enjoyed putting on the "God in Shoes" event! Over 500+ people attended the Family Fun Day in the Park; several families with children attended each evening of Seminars and Suppers; and over 300 guests attended the Women's Spa Day. Tons of literature, devotional books, Bibles with Bible study guides and CDs of music that uplifts Christ's involvement in our lives were taken home by our guests. Please pray for the seed of the love God to grow into a strong tree in each person who attended and in our hearts also.

**Please remember Cathy Culver** in prayer and she and the Medical Community work to get her blood pressure and dizziness to subside.

**Please remember our elderly** in prayer as they face changes in their lives - changes that are sometimes unwelcome and difficult changes.

**Please remember Janelle Guerra** in prayer as she awaits an important and stressful court date, brought on by circumstances out of her control.

**Please remember Piedmont Park's ministries** as they firm up the plans for the next two ministry years. Pray for people's willing support.

**I want to thank you for your prayers, cards, and calls during my resent surgery and recovery.** It has been such an encouragement to know my church family cares. Thanks, also, for the anointing service - from then on I have gained strength each day. Praise our wonderful Lord and all who call upon His Name.  
Your servant and Sister in Christ, Ann Schenk

## Message of Encouragement

### Thoughtful

I aspired towards being thoughtful since I was a little girl  
Watching the other kids, helping out in our family's world

I worked towards being thoughtful as a young teen  
Volunteering my time, making sure I was never mean

I strived towards being thoughtful becoming a young woman  
Being there for all my friends, careful of others feelings

I enjoyed being thoughtful when I became a mom  
Letting them know how much they are loved  
Making sure my children grew strong

I thought that being thoughtful was a trait I longed to be, yet have  
managed, thoughtlessly, to push those I love away from me
