Tez Unae

Tez Unae

Tez Unae' Kanasha-Litrell Reynolds was born on April 27, 2006, in Houston, Texas to parents Natalie Rochelle Lockett and Intevs Reynolds. Tez Unae' affectionately known as Fat Mama, and Nae Nae; was a studious, funny, quick wit child. Tez Unae was known by family and friends to be such a joy to be around. She loved dancing, reading, and cooking in which her specialty was pasta. She also liked doing hair and braids but only her own Tez Unae' was a member of South Union Missionary Baptist Church from birth. She attended Codwell Elementary, Hartman Middle School, and Heights High School where she participated in the orchestra, step team, volleyball, cheerleading and track throughout the years.

Tez Unae' had a smile that would light up the faces of all she encountered, and always owned the room when she walked in, which is why her aspiring to be a model was very fitting. Tez Unae' genuinely enjoyed spending time with family and friends and always looked forward to her annual family cruise with her mom and siblings.

Tez Unae' is preceded in death by her birth father, Stephen Richard; Grandmother: Louise Richard; Aunt: Cassandra Richard; Uncle: Sedrick Tillman Sr.; Aunt: La Tricia Volter; and Uncle: Richard Finney. Tez Unae' leaves to cherish her Mother, Natalie Lockett; Father: Intevs Reynolds (Ashley); Brothers: Deshawn Lockett, JeKyrie Powell, and Jonathan Coleman; Sisters: Jareyon Freeman, La'Tez Reynolds, Teziah Reynolds, and Ja'Miyah Lockett; Grandfathers: Nathaniel Lockett and Cleveland Lindsey; Grandmothers: Jacqueline Lindsey, Margaret Sennett, and Joy Rhodes; God parents: Brendolyn Andrus and Abdul Danja. Favorite Aunt Kanasha Reynolds; favorite cousins Damon Sutton Jr. and MaKenzie Lewis. Bonus Aunts: Jaterica Fobbs, DeShawnda Rylander, and Kalynn Hurst; and bonus Uncles Dameon Fobbs and Wayne Hunter. Best Friends: Madisson McKinley, Chanice Anderson, and Mya Coleman, and a host of aunts, uncles, cousins, extended family, and friends.

Tez Unae', you are forever loved, forever missed, and forever in our hearts..... until we meet again!

A Mother's Love WILL NEVER GROW OLD...

When I found out I was having a lil girl at that very moment I knew I was going to have fun with my new best friend. And let me tell you, babygirl was broke broke even with her little child support money (In her voice). Nae just know everything I did was out of love and protecting you. I'm thankful God allowed me to be able to create all of our great memories because that is all I have now. As each day floats and goes since that day I found you. I truly understand each day this is not the side you wanted to be on. I'm sure by now you have no regrets. I'm going to miss all of our goofy moments family trips and get aways. I'm already missing the girl fights between you and Toct and most definitely going to miss my house being smoked out from you trying to cook but baaaaby I don't know how but it was good each and every time.

Love you,
My biggest Baby Girl

Mama

MY ANGEL

Daddy's Girl

My blessing from above-I've adored you from the start. From the first moment I laid eyes on you, I knew you were my shining star, my first-born child. You were perfect in daddy's eyes. Your beauty, talent, smiles and spirit are what kept me proud. I wish I still had you with me to watch you become all you could be. A single tear drop represents the millions I've cried. This world will never be the same without you. I will keep and cherish with me the fun times we shared, I want you to know just how much Daddy really cared. Until we meet again, on God we must rely I love you, I miss you, this is not a goodbye. You will always be in my heart.

Fly high my sweet angel.

Tributes OF LOVE...

“A Letter To My Sister In Heaven”

They say there is a reason . They say time will heal'. Neither time or reason will change the way I feel. Gone are the days we use to share, but in my heart You are always there. The gates of memories will never close; I will miss you more than anybody knows.....Love and miss you everyday. Till we meet again
Always and Forever,

Big Brother

In loving memory of my beautiful niece. Gone too soon, so very young but never forgotten. Nae left this world before she had a chance for her life to begin. Dearly loved, sadly missed forever in our hearts. Nae-Nae loved doing TikTok's. I'm going to miss her big bright smile and her goofiness. Nae would always say "Nasha, what you want now and stop being so lame" We share many secret's near and dear to my heart that I will cherish for a lifetime. My beautiful niece gone to soon. I was really blessed with a niece like Nae. She was so inspiring. She was more than my niece, she was different than anyone, she was my lil friend. I love giving her hugs like a mother would do her child. We would often share many secret's like sisters. You are at peace now no longer suffering. Fly high baby girl. I will miss you Nae-Nae forever in our hearts.

Love, Your Aunt

“A Letter To My Sister ”

Dear Nae-Nae

I miss you and I love you. I loved all the things we did together, all the fun and funny moments. Nae was funny and nice. The best sister ever. I know you are gone but you will always be in my heart.

We will be together forever. We will always

love each other like sisters should. Love is Love!

Fun is Fun! Faith is Faith! Family is Family!

Rest In Peace. **Love you Sister,**

Jareyon

“Sister, you were our guardian angel in disguise. You are perceptive, intelligent, and wise, always helping me through good and bad. You are also the greatest friend I've ever had.

Love,

Your Younger Siblings

“My Angel Up In Heaven”
My angel up in heaven.. I wanted
you to know, i feel you watching
over me everywhere I go. I wish
you were here with me, but that
can never be, memories of you in
my heart that only I can see. I
hope you understand that i would
give anything if I could hold your
hand tightly and never let it go.
My angel up in heaven, for now
we are apart, you'll always live
inside of me, deep within my heart.. I Love You Tezunae

Your forever Friend,

Maya

Dear best friend.... never
in a million years would I
think I'd be putting RIP
by your name... I still can't
believe it's true. We've
been friends for as long as
I could remember. It feels
like we came out the same
womb together. What's
Maddi without Tez? If
they see me they see you, I

never had to question your loyalty! If I was at war
with the world I know you would be by my side.
Our memories from elementary to high school, I
will hold on to dearly... we did everything
together. Track, dance, cheer, violin ...you were
different from everyone else. You didn't care
about what people had to say about you. You
stayed true to yourself no matter who was around
& that made me love you even more. I failed you
best friend. I didn't pay attention to the signs and
I'm so sorry. You were fighting for so long and I
love you for that. Thanks for being the best friend
a girl could ever ask for. Hug Doom for me. See
you when I get up there best friend..

Your laughs, smile and just you in general. May you
forever live long. *Yours Truly,*

Chanice

Dear Tez, I will never forget
the bond we had and the
memories we shared together.
Thank you for everything that
you did for me. I want you to
know my friend, that I will
love you with all my heart and
that I always remember you.

As I sat in Heaven and
watched over you everyday,
I tried to let you know with
signs that I was always
near. I heard you as you
laughed, I watched you as
you laughed, I watched you as
you slept, I even placed
my arms around you, to calm
you as you wept. I saw you
wishing for days away praying
to have me home. So I tried
to send you signs that you were
never alone. As I met you at
Heaven's door, my love for you
has grown more. Now we're
together, resting in our Master's
arms.
