Realizing that each tomorrow is not ours to understand and knowing that God never wastes our pain, we joy in knowing that with every loss He sends to us is followed by rich gains. Today in our loss, our hurt, and our pain, we recognize our gains in our friends and loved ones from your flowers, cards, calls, whispered prayers, and every deed of kindness. They have all been a source of strength and comfort at this time to our family.

I'm Free

Don't grieve for me, for now I'm free
I'm following the path God laid for me.
I took his hand when I heard him call,
I turned my back and left it all.
I could not stay another day,
To laugh, to love, to work or play.
Task left undone must stay that way,
I found that peace at close of day.
If my parting has left a void,
Then fill it with remembered joy.
A friendship shared, a laugh, a kiss,
Ah yes these things I too will miss.
Be not burdened with times of sorrow,
I wish you the sunshine of tomorrow.
My life's been full; I've savored much,
Good friends, good times, a love one's touch.
Perhaps my time seemed all too brief,
Don't lengthen it now with undue grief.
Lift up your hearts and share with me,
God wanted me now; He set me free.
