

## Here's the Tales Toolkit Resources

We're delighted you've become part of the Tales Toolkit family. There are so many benefits to using our resources which is why we provide resources along with lots of training and support. Now you are Tales Toolkit members you can purchase any additional resources you need for your school. Included below are our resources and prices.

# Big Kit

The big bags can be used with small groups and whole classes of children to create stories using large props that everyone can see and interact with. This is the first resource that you learn how to use, if you buy no other resources, this is the one kit you should have. The big bags can also be left in the provision for children to access independently.

The Big kit includes 4 large Velcro bags for each of the 4 logos and 1 large logo shopper to store/carry the kit. Velcro bags measure 36.5cm x 46cm. Shopper measures 38cm x 47cm

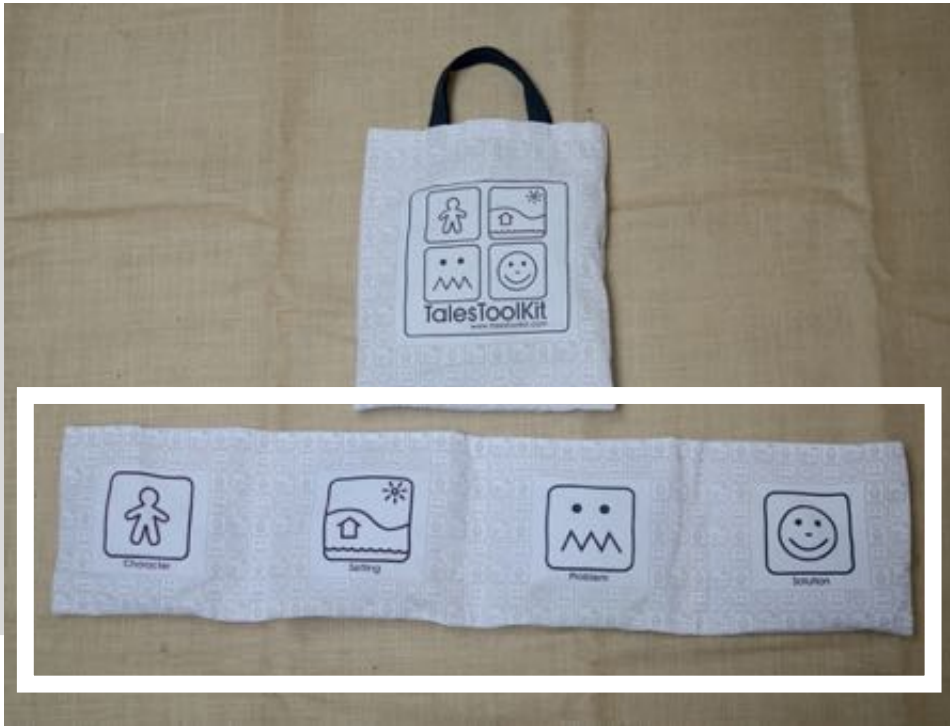

**The price of the Big kit is £40.**

**Code BK001**

# Small kit

The small kit children can be used with small groups of children. It has an easy to carry outer bag so children can use this kit independently, finding things from around the setting to create stories. The long strip can be hung up in different areas around the classroom using the eyelets on the back.

The Small kit includes a long strip with the 4 pockets for the Tales Toolkit symbols and a small shopper bag to store/carry the kit. Long strip measures 74cm x 18cm. Small shopper measures 24.5cm x 27.5cm

**The price of the Small kit is £20**

**Code SK001**

# Apron

The apron is worn by individual children. They are easy to put on with a Velcro waistband. Children wear the apron and go around the setting finding items to create imaginative stories.

The apron measures 49cm x 22cm with waistband 73cm.

**The price of the Apron is £15**

**Code AP001**

# Hanger

The hanger is used as a reference. Hang this in your carpet/group area and refer to books you're reading. Hang this on the whiteboard and write the story elements beside the symbols. Hang this up in different areas in the provision, refer to storylines in play and story structure in real life problems.

The hanger measures 51cm x 12cm

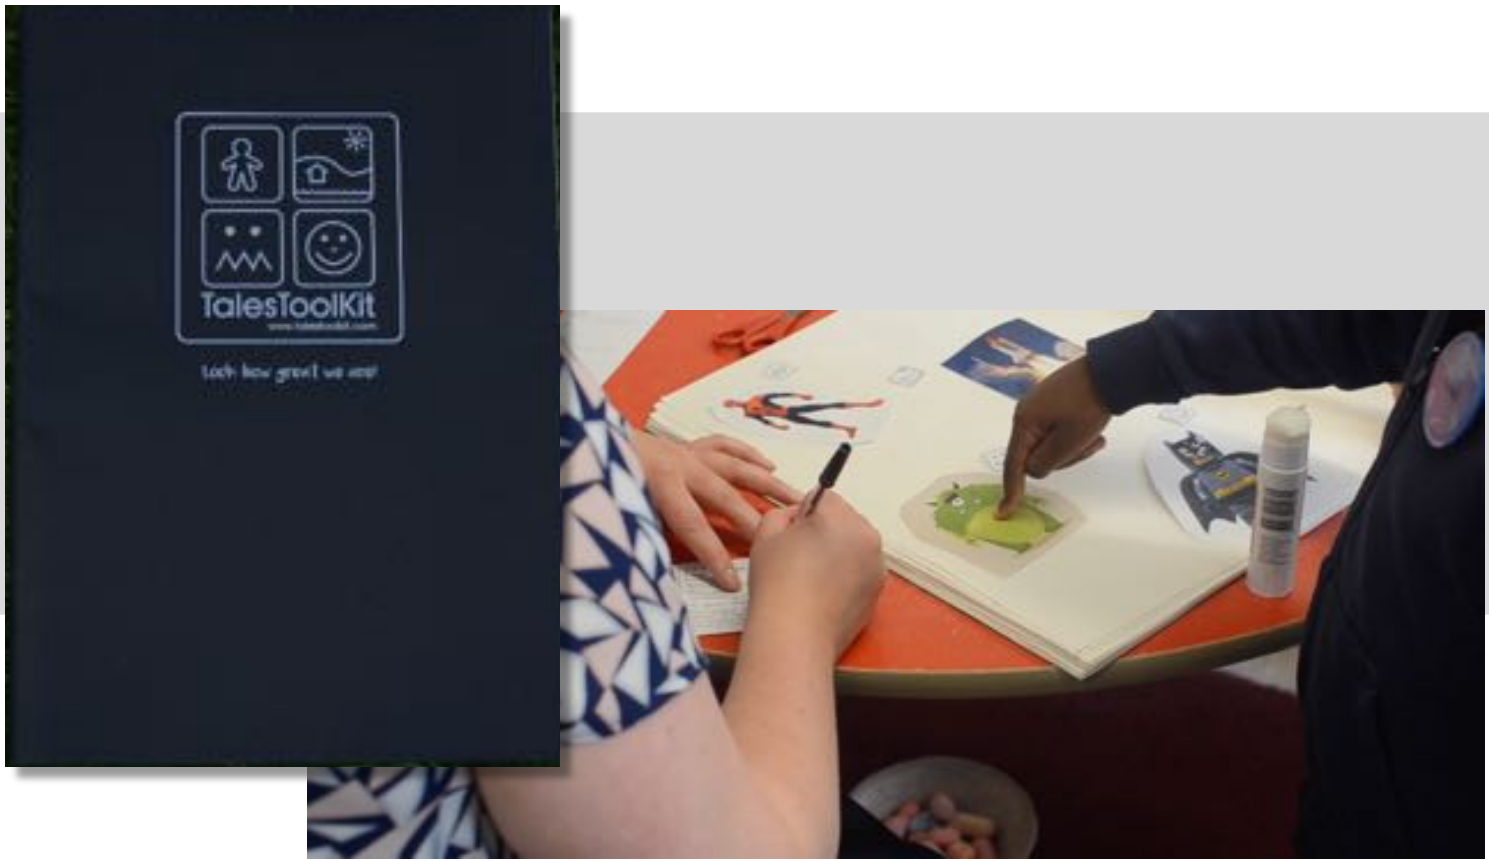

*Note – The product varied slightly from the picture. The product you receive has the names printed under the 4 symbols and a black handle.*

**The price of the Hanger is £15**

**Code HA001**

# Tales Toolkit Big Book

The Big book is used to keep a record of your Tales Toolkit storytelling. Keep the children's scribed stories in one place where progress over time can be seen. Encouraging the children to take ownership of the book you'll see them independently mark making and recording their stories and revisiting stories told.

The Big book is A3 and measures 29.7 x 42cm

**The price of the Book is £4**

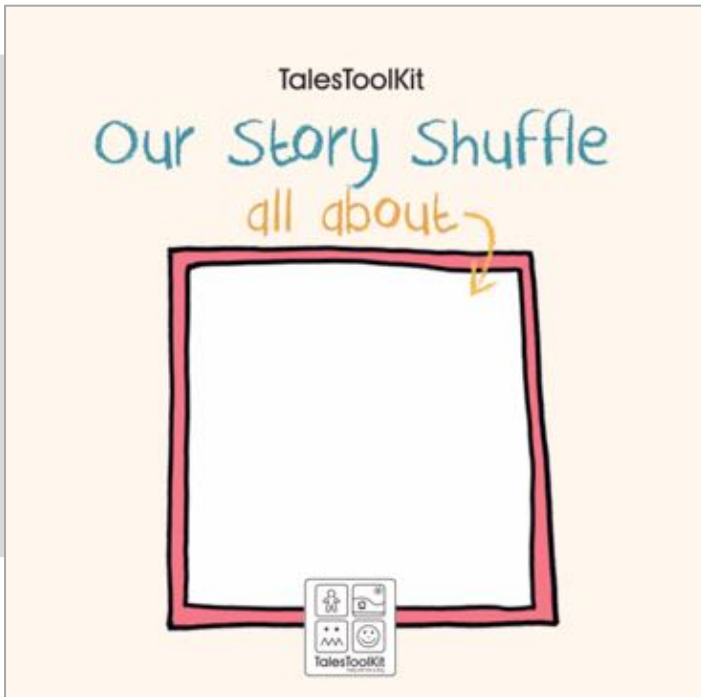

**Code BB001**

# Shuffle Book

Tales Toolkit brings empty pages of possibility ready to create your own stories.

Fill the pages with drawings, photographs or pictures cut from magazines. The options are endless, a picture of yourself, superhero, magic potion or slimy slug... you choose!

Once your pages are full get ready to shuffle your stories, choosing a character, setting, problem and solution at random letting your imagination run riot.

The book is A4 and measures 21cm x 30cm

**The price of the book is £6**

**Code SB001**

## Some more Information....

All of the kits are safety checked and are CE marked. These have been tested under toy regulations. All of the products are safe for the children to play with apart from the outer shopper bag from the big kit (due to the handle length) this must be supervised with children under 3 years of age.

All prices exclude VAT. Tales Toolkit is currently not yet VAT registered so there is no VAT to pay.

Postage is charged in addition to the prices shown. This will vary dependent on the number of kits and types of kits ordered. This will be added to your invoice.

All kits are made from 100% cotton.
