We have come into His house, and gathered in His name,

And look upon His face, and worship Christ the Lord.
Worship Him, Christ the Lord

Health Nugget

At every pulsation of the heart the blood should make its way quickly and easily to all parts of the body. Its circulation should not be hindered by tight clothing or bands, or by insufficient clothing of the extremities. Whatever hinders the circulation forces the blood back to the vital organs, producing congestion. Headache, cough, palpitation of the heart, or indigestion is often the result. (Ministry of Healing, p. 271.)

From the pen of Inspiration

We are in constant danger of becoming self-sufficient, relying upon our own wisdom, and not making God our strength. Nothing disturbs Satan so much as our not being ignorant of his devices. If we feel our dangers, we shall feel the need of prayer as did Nehemiah, and, like him, we shall obtain that sure defense that will give us security in peril. If we are careless and indifferent, we shall surely be overcome by Satan's devices. We must be vigilant. (SDA Bible Commentary, vol. 3, p. 1138.)
