Our Week

This week we continued our unit on TRUST. Our Bible lesson was stories of how Jesus healed people when He was here on earth. We also talked about the different kinds of homes where people and animals live and enjoyed learning about 3-D shapes such as the cone, sphere, cube and cylinder.

Letter of the Week

Letter of the week will be LI.

Snack Helpers

Thanks for all the wonderful snacks you've been sending for the kids. They've been especially enjoying the fresh fruit!

Moving on Theme

This week our book is called *A Day on the Prairie*. This book highlights different animals and insects that can be found on the prairie, where many pioneers traveled in their covered wagons while moving west. It's a

unique book because it was written and illustrated by third-grade students in Illinois.

Bible

For Bible class this week, the students will study how Abram led his family to worship and praise God and how God loves our worship as well. Our verse for the week is: "The Lord is our God and we will worship only Him." Joshua 24:24

Letter of the Week

Our upcoming letter will be LI.

Read! Read! Read!

It is that time of the kindergarten school year where we are putting a lot of focus on our little reading books. We are practicing as much as possible at school and sending the readers home as the children become fluent with each book. You can help them grow as competent readers by **saving** the books and listening to the kids read them DAILY. This can now be part of their reading log time.

Snack Helpers

Snack will be provided by: Monday-Edith; Tuesday-Emma; Wednesday-Emmaline; Thursday-Gracie

1st & 2nd Grade

Mrs. Kay
Sutherland

Reading Logs are due every Friday.

Please listen to your child read and encourage them to bring in SIGNED reading logs. Reading logs not turned in roll over onto the backwork list! Bonus recess is not earned when there is backwork!

In Bible class we are learning about our Trustworthy Storyteller, Jesus, who told three stories (Luke 15) about lost things that were found. He wanted to help his friends understand how happy He is when someone who

doesn't know Him is found and becomes His friend.

Show and Tell is every Friday. Please help your child bring something they have found in nature, a pet, a family outing or trip. Items that go along with what we are learning about in school are also appropriate. Everyone is learning about the bones and other body systems and how to stay healthy.

3rd & 4th Grade Mrs. Eva Hill

☺ **Happy 10th birthday, Ethan!** So glad this kind young man is part of our classroom family!

☺ **Softball gloves needed for PE** classes starting next Monday, March 15. Each Monday and Wednesday we will be playing softball during the fourth quarter. For safety, students must have a softball glove (clearly marked with their name) at school on these days. Thanks!

☺ **Track and Field is next Friday,** and is a part of the fourth quarter PE grade. Students wear appropriate comfortable clothing, including no sleeveless tops. Girls who choose to wear exercise tights, wear shorts over them. Girls who choose shorts, wear exercise tights under them if the shorts are very short. Let's move!

☺ **Spelling words for next week** are in the white envelope today--Theme 7, Week 4 words. Spelling tests are normally on Friday, but will be on Thursday next week, March 18.

☺ **Treasure verse quiz next Friday, March 19:**
"You gave me life and showed me your unfailing love. My life was preserved by your care." Job 10:12 NLT

NEWS NOTES

Next Wk. Lunch: Mon. 15th Burritos • Tue. 16th Pizza • Wed. 17th Quesadillas • Thur. 18th Hot Dogs

5th & 6th Grade Mrs. Janet Lopez

In Bible this week we continued our study of Jonah and forgiveness. We also went to the church for chapel. Thank you Pastor Gil for the popcorn illustration!

In English we identified Proper Adjectives in sentences, worked on our spelling and vocab. We play a stand up and spell game for prizes each day.

Math for 5th graders is using models to divide decimals. 6th grade is applying Algebraic expressions to solve everyday problems.

In Science we explored energy. We learned about Potential and Kinetic energy. We used a basketball to demonstrate this concept. Next we will learn about Thermal energy and matter and how they interact.

The students created amazing Google slides to show what they learned about Eastern religions and culture. Ask them to forward them by email to you so you can see them!! I was very impressed.

Remember to study for Friday quizzes. Have a great weekend!

7th & 8th Grade Mrs. Lisa Tonack

Test Schedule:

Wed.: Science Test 7
Thur.: Spelling Test 27
Fri.: MV Quiz

 **8th Grade Mission Trip:** Our 8th grade class will be going down to CYB for our Mission trip, April 19-23. We are looking for a male sponsor to help with our project and be our boys' chaperone.

Library Mrs. Jeanie Davis

This is the last week for the Who Is questions. Next week we will start with "What Is and What Are" questions.

Last Week's Question:
Who was Frank Lloyd Wright?

Answered by Lyric King:
He was born June 8, 1867. He was one of the greatest American architects. He designed the Imperial Hotel in Japan. He designed the famous Johnson Wax Company office building in Racine, Wisconsin. He also designed and built the Taliesin school, the buildings for the Florida Southern College in Lakeland, Florida and many famous people's houses. Check out the book and learn more interesting facts.

-Question of the Week -
Who was Julius Caesar?
(when was he born and what was he famous for?)
