A hand is holding a small, rectangular, off-white piece of paper with handwritten text. The paper is positioned in the center of the frame, partially obscuring a floral arrangement. The floral arrangement features several tall, thin stems of blue and pink flowers, along with green foliage. The background is a dark, textured surface, possibly a grave marker or a decorative backdrop. The lighting is soft, highlighting the texture of the paper and the colors of the flowers.

A potted plant with large, glossy green leaves and a central stalk of small, light blue flowers. The plant is set against a background of a red carpeted floor and a dark, textured wall. A hand is visible on the left side, holding a white card in front of the plant.
