EDUCATION NUGGET:

True education does not ignore the value of scientific knowledge or literary acquirements; but above information it values power; above power, goodness; above intellectual acquirements, character. The world does not need men of great intellect, as of noble character. It needs men in whom ability is controlled by steadfast principle. Wisdom is the principle thing; therefore get wisdom. The tongue of the wise uses knowledge aright. Proverbs 4:7 and 15:2. True education imparts this wisdom. It teaches the best use not only of one but of all powers and acquirements. Thus it covers the whole circle of obligation -to ourselves, to the world, and to

God. Character building is the most important work ever entrusted to human beings; and never before was its diligent study so important as now. In true education the selfish ambition, the greed for power, the disregards for the rights and needs of humanity, that are the curse of our world, find a counter-influence. God plan of life has a place for every human being. Each is to improve his or her talents to the utmost; and faithfulness in doing this, be the gift few or many, entitled one to honor. In Gods plan there is no place for selfish rivalry. Those who measure themselves among themselves are not wise, 2 Corinthians 10:12. Whatever we do is to be done as of the ability which god gives us. The stability of thy time shall be wisdom and knowledge. ED 225-226.....Lisa Heath.

HEALTHY HOME:

Session I: In the Beginning

Sunday -August 27, 2017 11:00 a.m. - 12:30 p.m. God calls us to be good stewards. Managing His creation is a holistic way to consider the responsibility handed down to us by the Creator. In this session, we will travel back to the first chapter of Genesis to increase our understanding of our role in the newly created earth and beyond.

Session II: Detoxifying Our Homes

Sunday-September 24, 2017 11:00 a.m. - 12:30 p.m. We spend a large amount of time in our homes. Research suggests that the air in our houses could be several times more polluted than outdoor air. In this session, we will look at how our indoor environment can become polluted and what we can do to clean it up to breath better and avoid exposure to toxic substances that can be very harmful to us. **Location:** A Better Choice Books, Deli, Natural Foods 351 S State Rd 434, Altamonte Springs, FL 32714. RSVP to lisset007@outlook.com. Hope to see you there!
