Message from Master Chunyi Lin

My dear friends, thank you for joining us on this journey to better health and wellness.

Now, you will be helping others start and continue their own healing journeys.

Over the last 3 decades, I have had many, many people come to me and thank me. They told me Spring Forest Qigong has changed their lives, helped improve their health, and helped them find their soul purpose.

I am so happy to have been given the opportunity to help positively impact the world. I am so very grateful for your support, your compassion, and your unconditional love.

Spring Forest Qigong is powerful because of our wonderful community. It is so wonderful to experience, for example, blessing meditations for the world with thousands of other people.

Today, Spring Forest Qigong would like to officially recognize you as a community leader. My vision for the certification program is "**teachers teaching teacher's teachings.**" Teacher's teachings refers to Spring Forest Qigong. You are the teachers teaching Spring Forest Qigong.

As a Spring Forest Qigong Certified Practice Group Leader, you represent Spring Forest Qigong and its principles. This means love, especially unconditional love, and compassion for others. This is a lot of responsibility, but it is also a very great opportunity to help change the world. You will help your practice group members direct their energy, unlock their natural healing abilities, and so much more.

Some final tips:

You never know what someone is going through; even the smallest act could

have a huge impact on someone's life.

Remember to **SMILE - Start My Internal Love Engine**. Your smile could make someone's day.

I love you. I bless you. I thank you.

Chunyi Lin
