The weekly Crisis Management Group call on a Tuesday will be maintained throughout this period.

All Sporty HQ support queries can be managed direct with Sporty HQ and Luke and Henry on SportyHQ@squash.org.au. A reminder as per process Sporty HQ will only offer support through the State or Territory Sporty HQ contact and all clubs should be funnelled through the state lead. This is to ensure we are prioritising the work you need at a State and Territory level.

3. New COVID-19 Strategy Update 2022 – 2022

George Clinton and Chris Yeend have been keeping the COVID-19 web page up to date with the latest 'back to sport' frameworks and grants available.

George Clinton is the delegated COVID-19 Coordinator at Squash Australia if any centres have any questions regards the framework.

Please contact George - GClinton@Squash.org.au.

In the initial information gathering campaign back in early April we promised some squash equipment support to all the centres that completed the questionnaires on the COVID-19 impact. In the next weeks we will confirm which centres completed the research piece and will send the equipment for those centres to each State/Territory Association for distribution.

4. Membership Fees

As previously communicated the Squash Australia Board have confirmed a 50% calendar year reduction in membership fee for the States. This means only quarter one and four are payable. We hope that with competitions looking to kick off from July that this will provide support to squash at a grass roots level to get things going again in this difficult period.

The National Insurance Programme remains in place. We have asked Sportscover to reassess the numbers currently in place and we will see if this can reduce the premium.

The next Insurance invoices for Q3 and Q4 will have this update.

Sportscover have confirmed a 25% rolling discount against next year's premium. If the centres open through June and July the 2021 premium will only be discounted by 25%, however if the Pandemic continues for another three months then next years premium would be discounted 50%.

4. Regulation Alterations

In the next months we will be making some required (Sport Australia) updates to the following regulations. Full updated versions will be circulated when completed:

- Updated Member Protection Policy
- NEW Separate Child Protection Regulation
- NEW Dispute Resolution Policy
- NEW Whistleblowing Policy
- NEW Performance Wellbeing Framework

If any STM would like to see a draft version in advance please contact me direct ceo@squash.org.au.
