God is blessing us. Please pray for each other during this unusual time and the church building project.

Minimum \$200,000 needed (per letter in April)

Received **\$113,435** Received since letter was sent out in April

Still need \$ 86,565 (minimum)

Remember that the goal is to be debt free. So approximately another \$250,000 is also needed to not take out a loan. We are still finding ways to save and not take out much, if any, of a loan.
