

April 5, 2018

Dear Parents,

We've had a wonderful week! Thanks to everyone who came to our book fair! It was lots of fun. We don't know how much we have raised towards new books, yet. We do know that the Union College Library came to Barnes & Noble and spent \$1,000.

We have a busy April coming up. Attached to this note you will find ALL of the events coming up. Yes...we know! It scared us, too. Please look it over carefully. Some of our events have changed. We have combined two of our events in order to help. We have an added band recital this month. So in order to lessen the burden for families, we have made early registration the same night as the recital. Please look over our events letter and see how to pre-register. Since the band has a recital, they will not perform at our closing program. We will have a small program instead. So, once again, please **CAREFULLY** look over our events letter and make note of all our events till the last day of school.

Yearbooks are coming!!! Our friends, Blaine & Miles Schaecher have a wonderful aunt Ms. Vanessa Schaecher. She is our VOLUNTEER yearbook editor. She works hard all school year and puts together a wonderful yearbook! Not only does she put our yearbook together, she hosts a yearbook party for the kids every year. Please see attached order form to reserve your family's copy.

Dates To Remember:

April 18-----Spring Fair
