## TO OUR FATHER

In quiet moments its so nice To walk down memory lane  
To see your smiling face once more  
And hear your voice again  
For there, your presence lingers on in memories fond  
and true and not a day goes by, Papa when we don't  
think of you  
Because you're missed so very much  
By those you left behind  
And although you're out of sight  
You're never out of mind
