November 8, 2018

## Student, Parent, and Teacher Conferences

Just a reminder today is student, parent, and teacher conferences. It is very important that your child is in attendance so that we can work together for the greatest success of your child.

## Fall Festival

Fall Festival was a huge success. Thank you to Home and School for putting it on, and thank you to those who came and enjoyed the event.

## Hot Lunch

Hot lunch will be this next week Wednesday November 14. The menu is going to be a Thanksgiving theme. If your child does not want to eat what is available, please send a lunch with them.

## Thanksgiving Break

Just a reminder that starting next Friday, November 16, at noon, is the beginning of Thanksgiving break and we will see you back Monday November 26.

## Christmas Program

The students are beginning to practice for the Christmas Program and we are excited to be presenting to you. The Christmas Program will be on Saturday December 15 at 4pm. Please start talking to family and friends to save the date. We are still working on finalizing the location.

## Snow Days

For snow days we follow the Saginaw Public School District for closing. If you are coming from another town and the local school district is closed due to snow, please let me know so that I know you are not attending. I will also try to send a text or call by 6:45 am if we are closing. I usually follow WNEM – TV5 to check for school closings.

## Teacher's Aide

The school is currently looking for a teacher's aide for about 9 hours per week. If you or someone you know is interested in this position please have them contact me either through phone 402.270.7746 or email [apetersen@tricityadventistschool.com](mailto:apetersen@tricityadventistschool.com)

## Young Writers

With Veterans day this weekend the students shared some thoughts on veterans.

### Veterans

My Uncle Eric

Before I was born my uncle, Eric was in the war and he was in the military. When he got home from the war my grandma April was very happy. Then in 2008 I was born. ~Jaden grade 5~

A veteran is someone who fought in a war and survived. There are many veterans. A veteran I know is Don Schlager who fought in World War II. ~Gabriel grade 8~

A veteran is someone who has served or fought in a war. For example, my grandpa, Harvey Sales, served in the Vietnam War. He told me about this one weapon that women used to protect themselves. It was this one knife type thing that they had around their waist and when someone tried to do something to them, they would use it to hurt whoever tried to harm them. There are all kinds of wars like the Korean War, World War I, and World War II. And all of the veterans that served in those wars, they saved the country. I think that is why that there is a day to thank our veterans who served our country. So that is what a veteran is. And I thank my grandpa for being one of them. Thank you, veterans! ~Trinity grade 5~

Thank you to all the Veterans that have served our country.

Thank you for being a part of the Tri-City SDA School family.
