

## NICHOLAS MENARD

*ALWAYS REMEMBER LEST WE  
NEVER FORGET, YOU WILL  
FOREVER BE AN  
INSPIRATION  
NICHOLAS MENARD*

A friend to all who knew him and to all who passed him. Nicholas was so many wonderful things... a jokester at best and truly one of his finest qualities. Nicholas was a hard worker, an artist, a builder, a sculptor and above all else a gentleman of true and kind character. He loved life and he loved sharing it with those he loved. He was a scholar of sorts and thrived in learning new things. He was an observer, a people watcher, and admirer. Nicholas was curious of the world around him and fascinated by new founded places he had not been before that he found with MSS. Nicholas was intrigued by others he met and curious about everything he came in contact with. He listened

intently and loved sharing his thoughts after giving everyone else an opportunity to speak on it first, he was a gentleman like that.

Nicholas will forever be remembered here at Oakdale MSS and always in our hearts. His contagious smile and loving energy that he shared with everyone here at Oakdale will never be forgotten and always remembered.
