

## Principal's Message

A word from Mrs. Bryant

One of the perks of being a teacher is the hilarious things that students say!

Kids really do say the darndest things! Overheard this week at RAS...

Teacher: "So kids, how do we end a sentence?"

Kindergartener: "Period, question mark, or consummation!"

Fourth grader goes to the teacher to say their 11 times tables. Students A and B stand beside her.

Teacher: "Why are students A and B here?"

Student A: "We are her emotional support animals."

; ) Hope those gave you a chuckle and you have a great weekend!

**3rd and 4th graders share their reports on space with their classmates. They did a great job!**

## WOW with Pastor Jeremy Foss University Church Children's Pastor

Next week, April 5-9, we're having our special Week of Worship with Pastor Jeremy Foss. This will be via zoom, but we've got some fun things planned for the students to make it extra special!

Our theme is "ROCKS" and Pastor Jeremy will be talking about how Jesus is OUR rock and how important it is to depend on HIM throughout all of life - both the good times and the struggles!

Make sure your student is on time each morning so they don't miss a minute!

8:05 for 5th-8th grade

8:40 for K-4th grade

## COVID reminder:

Please send masks!

I continue to count our RAS blessings that we've been able to continue our in-person schooling, COVID-free! Thank you so much for your diligence in following our protocols and honoring our rules. It's not fun, but it keeps our kids in school!

On that note, we continue to spend a lot of money buying paper masks for students who either don't come to school with a mask, or soil their mask throughout the day.

Please make sure that you're sending your students daily with at least two masks so that they have one they can change into if their get their first mask dirty. We will continue to have paper masks available if a student doesn't have one, but we are spending lots of money on continuing to provide masks, for some students every day.

Thank you for helping us stay in school!
