

Cannabis Coaching

Rebecca Cahill

The above named has hereby graduated from the Medical Marijuana Coaching program, a comprehensive study of the history, science, biology, methodology and potential applications of Medical Marijuana, including cannabis, CBD and hemp. This program is designed to teach students to develop their own path within this field, equipping graduates with proactive information, timely research and convincing arguments that help them become outstanding advocates for medical marijuana.

We proudly present this certification on this day of: **March 2, 2023**

LindaJoy Rose, Ph.D. **Natural Wellness Academy**
