

Dear Parents,

I am so excited to begin another new school year at Port Charlotte Adventist School. Your child will be needing the following supplies for various subject areas. Many or all of these items may be purchased at the Dollar Tree or Dollar General. Also, check Walmart, any department store, or office supply. All supplies should be in class on or before the first day of school. Come prepared as we begin the adventure for what will be a fun and successful school year.

Sincerely, Diane Goosey
