On behalf of Mildred "Cuda" Elizabeth Pittman the family would like to express their deepest gratitude and appreciation for the kindness and sympathy shown during their time of bereavement. May God bless you and keep you. They would also like to take this opportunity to extend sincere thanks to their Aunt Rose for taking such good care of their mother, and sincere appreciation to cousins Helena Price and Geneva Pittman for all their help during this difficult time.

Acknowledgment

Mom, you will forever live in my heart. Thank you for everything. I will always remember and love you. Robert I made a promise I would never leave you and I kept it, you meant so much to me and the kids and we will miss you dearly, you are a missing piece to our puzzle that we can't get back. To us you were supposed to live forever but forever has ended now. You are an angel looking over us and we will continue to make you proud. You will live forever thru us. Love always Shay & the kids

Mom I'm going to miss you. You were my everything. My best friend. You left with a heavy heart. Tell your daughter, I love her. I miss y'all like crazy. You were the heart of the family. People telling me you in a better place...so I ask them can y'all trade places. Sorry Mom, I just don't understand. Now back to my story, I just didn't know you was going to go so soon. My sister left me on December 8, 2021, and you left me on November 8, 2024. I am not going to beat your head off but I LOVE YOU. Dward

Her beauty, grace, love and sweetness will live forever in our soul. She touched our hearts in so many ways, and the memory of her love fills our heart, and we will never be alone.

HER LIFE STORY

MILDRED "CUDA" ELIZABETH PITTMAN was born on April 6, 1960 in Philadelphia, PA. She was the oldest daughter of the late Rose (Francis) Pittman and James Henry Hill. Peacefully and tenderly God called Mildred home on November 8, 2024. Mildred was fondly known by many names CUDA, Sugar, Millie, and Mom.

CUDA received her formal education in the Philadelphia Public School system. She worked at ABM Environmental Company, Philadelphia, PA, for 24 years until her health started to fail. She loved her job, worked hard and got along well with her co-workers.

CUDA was blessed with two sons, a daughter, and a bonus daughter. She was a devoted mother, and first rate in that role. She was committed to the proper upbringing of her children. She cherished them and they were the center of her world. She was always there for them when they needed her time and attention, even when they didn't ask. She loved them so much, and they loved her back. A chunk of CUDA'S spirit sank on December 8, 2021 when her daughter Shakiera passed away. Despite her pain she tried to go on, but the loss of her dearly beloved daughter was too much to bear.

CUDA had a very, very special love for her family and she was their "rock." She enjoyed spending quality time with them, and she had the gift of interacting with all age groups. Her smiling face, her generosity and her soft, and beautiful angelic voice will always be remembered. CUDA put the "s" in sweet.

CUDA opened her arms and heart to everyone she met. If anyone had a problem or needed advice, she was always there. She loved entertaining and having people at her home, and everyone wanted to go to "CUDA'S House." She was not only admired by her family; she was also dearly loved by her neighbors.

CUDA loved her sisters and they often went places together, and even brought things alike without the other being there. Her sister Bernice was always there for her, and their bond was unshakable. Her dear baby sister Rose was her caretaker who lovingly cared for her during her illness.

CUDA had a special relationship with her BFF (Best Friend Forever) Linda. They spent countless hours talking on the telephone.

CUDA will be remembered for her thoughtfulness, and her loving and caring nature. Her spoken words were so calming. She was a generous woman who put the needs of others ahead of her own. The family will always laugh and reminisce about the many good times they shared with CUDA. She was one who thought about the wellbeing of others, always giving unselfishly and not worrying about herself.

CUDA was preceded in death by her mother, her father, her daughter and her only brother, James "Man" Pittman who passed away just three months ago.

CUDA leaves to cherish her memory, two beloved sons Westly Dwand Pittman-Page and Robert Anthony Outlaw; One Bonus daughter, Shantelle Sawyer. Two loving Sisters, Ida Bernice Pittman and Rose Marie Pittman [Gary]; one bonus sister Katrina Thorn; One Sister-in-law, Carla Samuel; God son: Anthony Blake, BFF, Linda; Nine Grand-children: Rakeym Outlaw, Rhyle'i Outlaw, Tymere Outlaw, Armani, Za'Niyah, Zah'Kee, Zabree, A'layah and Aaron; Three nieces Ashanti, Latecia, and Mariah; Two nephews Bernard, and Phillip; Three loving Aunts: Sarah Adams, Dorothy Fulcher and Imani Lomax; and a host of great nieces, nephews, cousins and friends.

"As a family, we know we have lost the sweetest, most wonderful, and loving person, one can hope to meet in a lifetime. She died as she lived, everyone's friend. We will miss her dearly."
