GOD looked around the garden,  
And found an empty space.  
He looked down upon the earth,  
And saw your tired face. He put  
*His arms around you*  
And lifted you to rest.  
God's garden must be beautiful  
For He only takes the **BEST.**  
He knew that you were weary,  
and He knew that you were in pain.  
He knew that you would never  
be well on earth again.  
He saw the roads were getting rough,  
and the hills were hard to climb.  
So He closed your weary eyelids,  
*Peace be Shine.* and whispered

the many expressions of love, concern and kindness shown to them

## *Good Morning*

We, the Lebron Family appreciate all your presence. Jose was a talented, passionate, giving and loving father to his two beautiful daughters. Audrey and Veronica meant the world to him. He was a Corrections officer at Camden County Corrections where he was asked to resign because of his illness. His passion was music, and he was very gifted. His hobby was playing the quarto, but he mastered all other instruments such as the keyboard, bass, and guitar. He built his own Studio in the basement with the support of his grandparents and family. Sometimes he would break night producing music for all his clients. He was a young man who believed in God. As we all sit here celebrating him, please remember all the good times, and remember that he is in peace in Heaven looking down on us. Jose would love to see you celebrate his life with music and loving one another because tomorrow is never promised.

May God bless you all.
