To My Little Mommy

Not only were you the person who gave me life you were my lifeline. You were my protector from all, my best friend, my listener, my quiet place. My safe haven. I am missing a part of me. I have never lived without you. I can't breathe. I'm broken, I'm so alone. My heart is hurting, but you are no longer hurting, so fly away my angel and be in peace. No more troubles of this world until we meet again.

Love Sagonda
