

*Don't Cry for me when I'm gone.
Just laugh and sing an upbeat song.
Because when the rain stops and the clouds begin to part.
Look up and you'll see a rainbow. That's my heart.
I'm in open spaces running free.
That's where I long to be.
You'll know where to find me. Just look to the sky.
I'll be on the next rainbow so please don't cry.
No need for tears.
I have no fears.
I have gone home
Where I belong.
I am at ease.
I have finally found peace!*
