To Those I love and Those who Love Me:

When I am gone, release me, let me go.

I have so many things to see and do,

You mustn't tie yourself to me

with too many tears,

But be thankful we had so many good years.

I gave you my love, and you can only guess

How much you've given me in happiness.

I thank you for the love that you have shown,

But now it is time I travelled on alone.

So grieve for me a while, if grieve you must,

Then let your grief be comforted by trust.

It is only for a while that we must part,

So treasure the memories within your heart.

I won't be far away for life goes on.

And if you need me, call and I will come.

Though you can't see or touch me, I will be near.

And if you listen with your heart, you'll hear,

All my love around you soft and clear.

And then, when you come this way alone,

I'll greet you with a smile and a

'Welcome Home'.

*God saw you getting tired
when a cure was not to be.
He closed His arms around you
and whispered "Come to Me."
In tears we saw you sinking,
we watched you fade away.
Our hearts were almost broken;
you fought so hard to stay.
But when we saw you sleeping
so peacefully free from pain,
we could not wish you back
to suffer so again.*

*So keep your arms around him Lord,
and give him special care.
Make up for all he suffered
and all that seemed unfair.*
