

The Moment That You Died

The moment that you died
my heart was torn in two,
one side filled with heartache,
the other dies with you.

I often lie awake at night,
when the world is fast asleep, and
take a walk down memory lane,
with tears upon my cheeks.

Remembering you is easy,
I do it everyday,
but missing you is heartache
that never goes away

I hold you tightly within my heart
And there you will remain.
Until the joyous day arrives,
That we will meet again.
