Do Not Stand at my Grave

Do not stand at my grave and weep,

I am not there, I do not sleep.

I am a thousand winds that blow,

I am the diamond glint on snow.

I am the sunlight on ripened grain.

I am the gentle autumn rain.

When you wake in the morning hush;

I am the swift uplifting rush

of quiet birds in circling flight.

I am the soft starlight at night.

Do not stand at my grave and cry,

I am not there, I did not die.
