

Quietly

*How quietly you left us
in the darkness of the night.*

*Freed from every Earthly care,
your soul has taken flight.*

*Although our hearts are broken,
your death is bittersweet.*

*Heaven is rejoicing
from your life on Earth's retreat.*

*You've lived a life of kindness
and are loved by all you knew.*

*We give thanks to God, our Father...
because He gave us you!*
